

BSR Calendar Photo Submissions

Please only submit photos with high resolution, and DO NOT reduce the size. Camera phones usually do not provide the resolution needed for printing in our calendars.

Photos should primarily feature a Boykin that was placed through BSR. Other animals may be in the picture but the primary subject should be the BSR Boykin. Photos should not include any people. Try to minimize any unnecessary clutter in the background.

If the Boykin has already been featured in the calendar the photo will be considered for the photo gallery pages.

Please include this form with your photos. This information helps us to contact you if the photo is chosen for the calendar. Email form to calendar@bsrmerchandise.org

Boykin's Name

Has the dog appeared in the calendar previously? Yes No

If yes, what year?

Owner's Info:

Name

Email Address

Phone Number

How many pictures are you submitting with this form?
